**STORY 22**

# Wise Men See His Star

*Matthew 2*

Far away in the east, some wise men saw a special star rise in the sky. They knew it meant that a great King had been born. They decided to travel a long way to find Him and worship Him.

*"Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him."*

**— Matthew 2:2 (KJV)**
